

ICEFSSS 2023

INTERNATIONAL SOIL SCIENCE CONGRESS ON "CLIMATE CHANGE AND SUSTAINABLE SOIL MANAGEMENT"

Dedicated to the 100th Anniversary of Heydar Aliyev – the National Leader of Azerbaijan

Organized by:

21-23 JUNE 2023, BAKU, AZERBAIJAN

ICEFSSS-2023

“INTERNATIONAL SOIL SCIENCE CONGRESS ON "CLIMATE CHANGE AND SUSTAINABLE SOIL MANAGEMENT"”

Dedicated to the 100th Anniversary of Heydar Aliyev
the National Leader of Azerbaijan

EURASIAN SOIL CONGRESS 2023

ICEFSSS-2023 21-23 JUNE
BAKU, AZERBAIJAN

Before the event, the international congress participants visited the grave of the Great Leader Heydar Aliyev in the Alley of Honor, laid flowers in front of it, and observed a minute of silence in tribute to the memory of the outstanding statesman with deep respect.

The congress, attended by 28 scientists and experts from 7 countries of the world, started with the screening of the video on "Heydar Aliyev and soil reform in Azerbaijan".

The opening ceremony of the congress took place at the Azerbaijani National Academy of Sciences.

PLENARY SESSION OF THE CONGRESS

Moderator: Doctor of Biological Sciences Mustafa Mustafayev

*The congress was hosted by Azerbaijan
and organized by the Eurasian
Federation of Soil Science Societies.*

The congress, hosted by Azerbaijan and organized by the Eurasian Federation of Soil Science Societies

Topics of the Conference

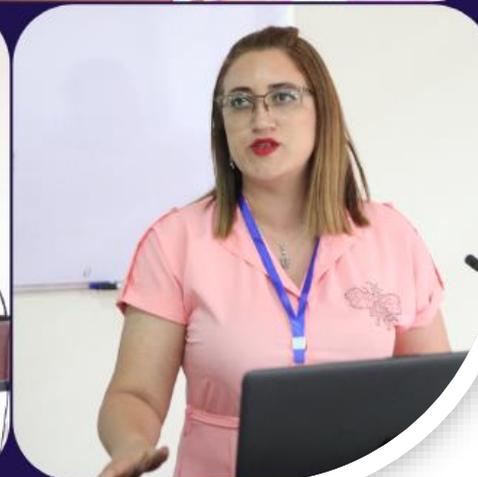

Soil Physics & Mechanics, Soil Chemistry, Soil Biology & Biochemistry Soil Erosion & Conservation , Soil Degradation & Reclamation Soil Genesis & Classification, Soil Survey & Mapping, Soil Mineralogy & Micromorphology, Soil Management, Soil Health & Quality, Soil Hydrology, Soil Pollution, Soil Fertility, Ecology and Agroecology Evaluation, Plant Nutrition, Fertilizer & Fertilization, Remote Sensing & GIS in Soil Science, Geostatistics

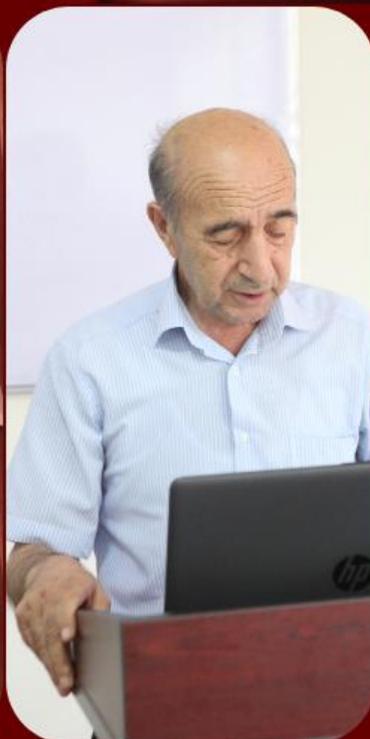

In total, there were more than 500 participants in the congress. 588-page congress collection and Abstract book were published.

The congress, hosted by Azerbaijan and organized by the Eurasian Federation of Soil Science Societies

We have provided a great opportunity to learn and discuss recent advances in the soil science in general and to establish contacts and collaborations with participants from different countries of the world.

The international congress of soil scientists dedicated to the 100th anniversary of the National leader Heydar Aliyev on "Climate change and sustainable soil management" was held in two sections. Section 1. Biology, Agrochemistry, Mineralogy And Soil Physicst. Section 2. Soil Resources Management, Soil Fertility, Environment And Agro-ecological Assessment

The congress guests got to know the historical monuments of Azerbaijan with a tour of the city, including Yanardag, Ateshgah and the ancient city of Baku

The closing ceremony of the congress was held on June 23 at Mogan Hotel.

The conference's closing ceremony ended with a gala night and banquet dinner
